

# Tennessee 4-H

## *Service Learning Institute 2011*

*"Be part of the solution!"*

Come join other Tennessee 4-H teens ready to be "part of the solution"! This three day service learning institute will bring together thirty-five teens, from all across the state, interested in making a difference in their community! Institute attendees will have the opportunity to participate in team building activities, leadership and citizenship development and gain new perspective into the world of service learning. Plus, these teens will have a chance to interact with their peers and have lots of fun, too!

Please note that this event is **free** to the 4-H member (event is funded by a grant from Learn and Serve America), but registration is limited to Tennessee 4-H members in grades 9 - 12 (as of January 1, 2011). Registration is now available through your county UT Extension office but don't delay! Only the first 35 registrants will be accepted for this institute.

For additional information, please contact your county UT Extension office.
