

UT Plateau Research And Education Center Crossville, Tennessee

2012 Summer Internship Opportunity

Experience a 12-week summer internship of ongoing research within an outdoor laboratory! Located in Crossville, Tennessee, the UT Plateau Research and Education Center serves the scientific community by testing theories under real life conditions. Also nestled within this 675-acre research parcel is the award winning demonstration garden coordinated by the Cumberland County Master Gardener Association (CCMGA), designed to educate residents and visitors of the many challenges of gardening on the Cumberland Plateau.

Job Description

Specifics duties will be developed based on the successful candidates interests/strengths, but will include:

- * Plateau Discovery Gardens~assist the CCMGA within the demonstration garden.
- * Lecture~develop and present a mutually agreed upon gardening lecture to the CCMGA membership and/or the annual Fall Gardeners' Festival.
- * Research project~assist with on-going research including irrigation, weeding, planting, pest management, preparation of seed beds, trellising, composting, fertilizing, using tiller/tools, data collection, and/or other duties as needed.
- * Production log~record day-to-day activities to assist both the candidate and internship sponsors in understanding and improving the program.

Eligibility and Selection

Open to any college student, with preference as follows:

- * enrollment in plant sciences and/or related field of study
- * status of upper class person over lower class person

Apply by: February 15, 2012

On-site interview to be completed by: March 12, 2012

Notification by: March 15, 2012

Duration: Twelve week internship between May 1st and September 1st. Specific start and end dates will be mutually agreed upon between UT PREC Director and Candidate.

Student requirements

Interested applicants must be able to lift 25 pounds, be willing and able to work outdoors, and have a valid driver's license.

Supervision and Coordination

The UT PREC Director and Cumberland County UT Extension Agricultural Agent will be responsible for the supervision of the successful candidate. The successful intern will also meet monthly with the selection committee to discuss the experience and progress of the internship opportunity.

Application for Internship

Interested applicants must provide:

- * completed application (available on the CCMGA and UT PREC websites)
- * copy of college transcript
- * resumé

Completed Application Packet Must Be Received No Later than February 15, 2012 to:

UT Plateau Research and Education Center
320 Experiment Station Road
Crossville, TN 38571-2133

Attn: Internship
