

★ SCIENCE CIRCUS ★

SATURDAY OCTOBER 13

Science: Doors open at 2:00 p.m., show at 2:30

Circus: Show starts at 7:00

What: Join us for an afternoon of learning and fun! Attendees will learn about robotics by cleaning up a “toxic” spill, build and take home a lamp, and participate in an eco-bot challenge. After our science activities, we will take a trip to the circus!

When: October 13, 2012.

Registration starts at 2:00 p.m., circus starts at 7:00 p.m.

Who: Open to youth currently in 4th - 12th grade who have a parent or guardian currently in the military. This event is **free** of charge. All branches and components are welcome.

Where: Hollinsworth Auditorium, 2431 Joe Johnson Dr., Knoxville, TN 37996

Parents: We will have plenty of volunteers to assist during the science program and the circus. If you are able, please join us at 6:00, with the rest of the family, for a trip to the circus.

* We will provide transportation and supervision for parents who will not be able to attend the circus.

RSVP to let us know you are coming!

Carrera Romanini, 4-H OMK Coordinator

Carrera@utk.edu or 865-974-9724.

Registration is due by October 8, 2012.

More details will be sent to all registrants after close of registration
