Supporting Children of the National Guard and Reserve Institute

You are invited to attend the upcoming *Supporting Children of the National Guard and Reserve Institute*™ (GRI). The Military Child Education Coalition® (MCEC®), a nonprofit organization addressing the educational needs of children in military families, presents the training. The institute focuses on information needed to raise community awareness about the issues faced by children when a parent is deployed. Through a combination of direct instruction, group work and interactive activities, participants develop strategies and the framework of an Action Plan to support these children of the “suddenly military.”
