

2014 Summer College Internship

UT Plateau AgResearch and Education Center
320 Experiment Station Road, Crossville, TN

2012 Intern
Mary Wortham, UT
Major: Landscape Design

2013 Intern
Landon Smith, TTU
Major: Biology-Botany

Experience 10 weeks at the UT Plateau AgResearch and Education Center, where scientific theories are tested under real life conditions. This individualized internship provides an opportunity for the intern to:

- * work with master gardeners,
- * work alongside scientists and research staff,
- * attend field trips based on the candidates major,
- * and much more.

Benefits include wages of \$10 per hour, guaranteed 40 hours employment per week, housing (if needed), and credit for coursework (subject to approval from attending college).

Timeframe:

Applications due: February 3, 2014

On-site interview by: February 25, 2014

Notification by: February 28, 2014

Internship: May-August, exact calendar based upon availability of candidate.

Applications can be downloaded at the Cumberland County Master Gardener website:
www.ccmga.org.
