MEMORANDUM

TO: Those Listed Below
FROM: Dave Irvin 
DATE: Sept 12th, 2014
SUBJECT: Electrical Power Outage

Two (2) electrical switching power outages (PO) (See definition of Switching Power Outage) have been scheduled for the following buildings (see attached Building list). The outages will begin as follows:

Switching Power Outage No. 1 will begin on Sunday, Sept 21th, 7:00am and will continue for one (1) hour ending on Sunday, Sept 21th, 8:00am

The purpose of this outage is to temporarily switch the 13.2KV electrical feed from Normal supply (CKT # LA3) to Stand-by (Ckt 2) to install 15KV S&C Vista Switch .

Switching Power Outage No. 2 will begin on Sunday, Sept 21th, 1:00pm and will continue for one (1) hour ending on Sunday, Sept 21th, 2:00pm.

The purpose of this outage is to permanently switch the 13.2KV electrical feed from Stand-by (Ckt 2) back to their Normal source.

Definition: Switching Power Outage (PO) – 1 hour

The power outage consists of operating a 13.2KV switch at the incoming building service. This operation turns power off to each individual building,

Questions concerning this outage may be directed to Roy Warwick at 974-7768 rwarwick@utk.edu or Cesar Penalba 974-7769 cpenalb1@utk.edu .

Your assistance in notifying the occupants in your building will be greatly appreciated.
