

2014 Georgia URISA & Midsouth ASPRS Student Award & Career Day

October 8, 2014, 8:30am-3:00pm
Classic Center-Athena Room J
200 North Thomas St, Athens, GA 30601

*******New!!!*******

Extended abstract deadline: 10/1 by 5PM AND \$20 Rebate Check just for presenting or showcasing in the Map Gallery

If you are currently an enrolled college student in Georgia, Texas, Louisiana, Mississippi, Alabama, Florida, South Carolina, Tennessee, or Kentucky and have applied geospatial solutions to your coursework, you may be eligible to win \$\$\$ by presenting your hard work in front of our select judges of Past Presidents and GIS and Remote Sensing Professionals!!! Submit abstracts to compete for prize money in separate undergraduate and graduate competitions. To register visit <http://www.geospatialconferencega.com/student-day>

Agenda

Our Student Award & Career Day luncheon will observe the following agenda:

- 8:30-10:00- Undergraduate Student Presentations
- 10:30 -12:00- Graduate Student Presentations
- 12:00-1:00- Lunch/networking and Award Presentation
- 1:00-3:30- Mapping Your Way Into a GIS Career

Awards and Benefits

- Receive a **\$20 rebate check** just by presenting or participating in the Map Gallery
- **\$500** for 1st, **\$250** for 2nd, and **\$125** for 3rd.
- Award Certificate and recognition on the Georgia URISA and Midsouth ASPRS Website
- All awards come with a free year membership to GAURISA and Midsouth ASPRS
- Presentations will be featured in the URISA Journal "The GIS Professional" and the GAURISA newsletter

Map Gallery

Showcase a map, poster, or plat at the 2014 Georgia Geospatial Conference Map Gallery for another opportunity to demonstrate your cartographic abilities in front of potential employers, earn points towards professional certification and possibly win Best Map/Poster Cartographic Design in the Student category. For further information visit: www.geospatialconferencega.com/participate-2/map-gallery.

Mapping your way into a GIS Career

Ever wonder what it takes to get into a GIS Consulting Firm or a government position? Maybe Aerial Photography and Remote Sensing is your bag? Come join us for the Student Panel, "Mapping Your Way into a GIS Career" and learn just how you can navigate your way to success.

Additional Information or Questions

For further information please visit <http://www.geospatialconferencega.com/student-day> or contact Wendy Peloquin, Georgia URISA Conference Chair at events@gaurisa.org and John Hudler, Georgia URISA Education Chair at education@gaurisa.org.
