FREE TREE GIVEAWAY & PLANTING EVENT (NEAR YOU)

Native Tree Giveaway and Planting Events
at Various Locations Across Tennessee
10am Central/11am Eastern

Help us make history with the largest single all-volunteer tree-planting event in Tennessee's history (that we know of). We are looking for people to pick up 4, 8, 12 or 24 free trees (including Virginia Pine, Shumard Oak, Red Bud, American Plum, and more) to plant at your home or commercial property, or volunteers to find a public planting location in your community and coordinate a larger tree-planting event, or just volunteer to help plant trees at a public planting event near you.
