

Dig It, a School Gardens Curriculum Program Applicant Signature Page

***** NOTICE: YOUR APPLICATION WILL NOT BE CONSIDERED COMPLETE WITHOUT THIS DOCUMENT*****

Please read the following information, obtain the required signatures, and upload the signed document with your final application.

Dig It, a School Gardens Curriculum Program is a competitive grant program designed to show that agriculture is an integral part of our everyday life. It is the intention of Tractor Supply Company through the Dig it, a School Gardens Curriculum Program to provide the resources for schools to develop garden programs, to connect students with their food source, provide hands-on educational opportunities, and increase agricultural literacy. Winners will be selected based on the overall merit of their application and how the goals of the application align with the overall goal(s) of the project. Tractor Supply Company is committed to giving back and investing in their communities. To be eligible to apply your school must be located within 30 miles of a Tractor Supply Company store. Not eligible to homeschools.

The National Agriculture in the Classroom Organization and Tractor Supply Company will evaluate each application for proper criteria and objectives before grants are awarded. Notification of acceptance or rejection will be delivered in writing. The \$500 grant will be awarded in the form of a gift card available for pickup at the partnering Tractor Supply Store upon notification of acceptance. Application deadline is January 1, 2016; applicants will be notified no later than January 30, 2016 as to the status of their application. A program evaluation must be completed and submitted no later than June 15, 2016 including photos and documentation of project.

I have read and understood the above.
