

David L Nieland

Subject: 2016 Okeanos Explorer Mapping Internship

The application period for Okeanos Explorer mapping internships is open until Jan 31. We encourage any interested undergrads, graduate students, and recent graduates to apply, including candidates with diverse backgrounds including but not limited to: ocean policy, marine biology, geology, geophysics, GIS, atmospheric sciences, and the creative arts. Applicants must be U.S. citizens.

More information and the link to application website can be found at <http://oceanexplorer.noaa.gov/okeanos/training.html>

Please contact the Okeanos mapping team with questions at oar.oer.exmappingteam@noaa.gov.

Thank you,
Lindsay, Meme, and Derek
