

David L Nieland

Subject: Current LSG Job Openings

Louisiana Sea Grant currently has 2 job openings. Follow the links for full job descriptions. Please forward this e-mail to anyone you know who may be interested in either position. Thank you.

[Communications Coordinator](#)

The responsibility of this position is to provide technical and administrative support in science communication, including the responsibilities of graphic design layouts, database management, and outreach to the director of communication at Louisiana Sea Grant (LSG) to continue to efficiently and effectively develop and support the strategic plan and mission of LSG. – [View Full Job Posting](#)

[Project Coordinator in Sustainable Coastal Development](#)

This position will work with the Sea Grant Law and Policy Program and the Marine Extension Program, as well as other areas of Sea Grant, on sustainability and resilience issues. The job will include research on coastal issues and outreach directly to coastal constituents, including local governments, business owners, and residents. – [View Full Job Posting](#)
