

Subject: Clinical Assistant Professor at Oklahoma State

Clinical Assistant Professor – Non-tenure-track. The Department of Integrative Biology at Oklahoma State University (<http://integrativebiology.okstate.edu>) invites applications for a Clinical Assistant Professor. The appointment is for a three-year, 9-month, instructional position (90% teaching, 10% service), with continued employment during the term of appointment dependent on satisfactory performance and the availability of funding. The position includes benefits and is renewable and eligible for promotion. We seek applicants with a PhD degree and evidence of the establishment, or the promise of the establishment, of a record of instructional excellence, who can teach a variety of courses in the department, such as Introductory Biology, Animal Behavior, Environmental Biology, Invertebrate Zoology, Vertebrate Morphology, Physiology, and Evolution. Responsibilities include teaching five courses per year and establishment of a high quality instructional program. The department leads several education projects sponsored by NSF, HHMI, and UTeach, which provides the successful applicant opportunities to collaborate on STEM education initiatives. To apply, please send a single pdf including: 1) a cover letter including teaching interests, 2) a curriculum vita, 3) an example syllabus, 4) a statement of teaching philosophy, 5) evidence of teaching excellence, including summaries of teaching evaluations and samples of instructional materials, and 6) arrange to have 3 letters of recommendation sent in support. These items should be sent to the search committee chair, Dr. Matthew G. Bolek, at zoologysearch@okstate.edu. Application review will begin **February 15th, 2016**, with employment beginning August 15, 2016. Hiring is subject to available funding. Oklahoma State University is an Affirmative Action/Equal Opportunity/E-verify employer committed to diversity and all qualified applicants will receive consideration for employment and will not be discriminated against based on race, color, religion, sex, sexual orientation, gender identity, national origin, disability or protected veteran status. OSU is a VEVRAA Federal Contractor and desires priority referrals of protected veterans for its openings. OSU-Stillwater is a tobacco-free campus.
