Subject: Attend the AASHE Sustainability Officers Retreat

Join AASHE and the University of British Columbia Okanagan Campus on July 27-29, 2016 for a retreat designed for and by staff charged with leading institutional transformation for sustainability.

Featuring Leith Sharp (Director of Executive Education for Sustainability, Harvard University's Center for Health and the Global Environment), Aurora Winslade (Director of Sustainability, Swarthmore College) and Leanne Bilodeau (Associate Director of Sustainability Operations - Campus Planning and Development for the University of British Columbia Okanagan Campus), this retreat will leave attendees inspired, renewed and equipped to grow in their work.

Through an intensive two and a half days of presentations, discussions, reflection, sharing and experiential learning activities, participants will explore common issues facing sustainability officers, explore group processes for community engagement, learn about change management strategies and develop skills to be more effective sustainability leaders.

The deadline to apply is April 15. For more information and to apply please visit:

Feel free to forward this message to anyone who may be interested in attending the event. We hope to see you there!

Sincerely,

Daita
