

**Subject:** Student Conference on Conservation Science - New York 2016

Save the Date! The 2016 Student Conference on Conservation Science-New York will be held at the American Museum of Natural History, October 20-22, 2016.

SCCS-NY provides opportunities for emerging scientists to present their work and make contacts to help them launch their careers. We welcome perspectives on issues related to conservation, from the natural or social sciences - or their intersection.

For more information and to download a flyer to post and share with your colleagues and students, please visit our event website:
