**Subject:** GCRL Summer Field Program - Application Deadline is March 31!

The application deadline for the 2016 GCRL Summer Field Program is fast approaching! Students must submit all application materials by March 31, 2016. I have attached the brochure for your use and distribution to students. Additional information can be found on our website ([http://gcrl.usm.edu/summer\\_field/index.php](http://gcrl.usm.edu/summer_field/index.php)), including course syllabi, course descriptions, and much more.

Also, we have assistantships and scholarships available for students enrolled in our summer courses. Application materials for these opportunities are also due on April 15, 2016. More information on eligibility and how to apply can be found at the following link: [http://gcrl.usm.edu/summer\\_field/summer.field.program.details.2016.php](http://gcrl.usm.edu/summer_field/summer.field.program.details.2016.php)

If you have any questions or would like additional information, please let me know.

Thanks,  
Darcie
