Subject: Aquatic Plant Management Society Newsletter and Annual Meeting information

The Aquatic Plant Management Society March Newsletter is now available on the APMS website at <http://apms.org/newsletters/>. Important items in this issue include the Second Call for Papers, student incentives for presenting papers, and hotel registration info for the APMS Annual Meeting, July 17-20, 2016 in Grand Rapids, MI. Criteria for the APMS \$40,000 Graduate Student Research Grant is also presented in the Second Call for Proposals. The March Newsletter contains much more information on the APMS Annual Meeting and items of interest for aquatic plant managers across the country. After viewing the Newsletter, please consider joining the Aquatic Plant Management Society.
