Vacancy Announcement – Field Forester

March 28, 2016

Panther Creek Forestry, LLC is a private forestry consulting firm based in McMinnville, TN. Currently we manage several thousand acres of forestland across Tennessee, Alabama and northern Georgia. Our firm provides services ranging from forest inventory and appraisals to timber sales and habitat improvement practices. We are currently looking for hired legs with common sense.

Position Title: Field Forester

Pay: \$10/hour – \$15/hour based on education and experience

Location: Office location – McMinnville, TN. Field work concentrated in middle and east TN, Upper Cumberland region, and South Cumberland region.

Work Schedule: 40+ hours per week. Some weekends will be required during planting seasons and other special projects.

Minimum Qualifications:

The qualified candidate will, at minimum, be able to identify tree species indigenous to our service area, as well as common exotic and invasive tree species. A basic knowledge of tree and forest measurements (DBH, merchantable height, basal area, etc.) is preferred. The individual would be proficient in MS Office applications including Word and Excel. An understanding of GIS mapping and applications is preferred. All candidates must be in a fitness condition allowing for prolonged physical activity in various weather.
