March 7, 2016

## **STATE JOB OPENING**

**POSITION:** SEASONAL ENVIRONMENTAL FIELD TECHNICIAN

**LOCATION:** CAMP ATTERBURY, EDINBURGH, INDIANA (10001782; Job ID # 592565)

**SALARY:** \$12.00 per hour

*Limited to working an annual maximum of 180-days or 1560-hours during the period of APR2016 - SEP2016.*

**PURPOSE OF POSITION/SUMMARY:**

This position serves within the Environmental Division, Department of Public Works, Camp Atterbury Joint Maneuver Training Center. This person Reports to the Deputy Chief of the Division and is responsible for implementing the Integrated Natural Resource Management Plan (INRMP) and the multi-media components contained within the plan (i.e., watershed management plan, forestry management plan, wildland fire management plan, pest management plan, endangered species management plan, cultural resources, etc.). The position will conduct various tasks to facilitate the implementation of the INRMP. This position is seasonal/temporary and is labor intensive. The Sikes Act (16 USC 670a-670o) and the Sikes Act Improvement Act of 1997 are the primary regulatory driver for this position.

**ESSENTIAL DUTIES/RESPONSIBILITIES:**

- Driving passenger vehicles
- Radio operation
- Water quality monitoring
- Water sampling
- Soil sampling
- Hand tool operation (rakes, pick axe, fire extinguishers, pumps, hoses, etc.)
- Pesticide application
- Prescribed fire implementation
- Natural and Cultural Resource awareness training
- Site monitoring (invasive species, wetland mitigation, cemeteries, etc.)
- Wildlife monitoring
- Pest management (domesticated animal trapping, awareness training, etc.)
- Threatened and Endangered Species management
- Land rehabilitation
- Construction site storm water pollution prevention inspections
- Other duties defined in the INRMP

**NONESSENTIAL DUTIES/RESPONSIBILITIES:**

- Military vehicle operation
- GIS/data input
- Equipment maintenance

- Chainsaw operation
- Office maintenance
- Vehicle maintenance (general cleaning)
- Skid steer operation
- Plant identification

**PREFERRED COMPETENCIES-KNOWLEDGE/SKILLS/ABILITIES:**

Valid high school diploma or GED; or one (1) year of work experience.

- Valid Driver's license
- Experience or knowledge in resource management (any of the duties listed above)
- Ability to lift up to 50 pounds several times a day
- Ability to stand or stoop for extended periods
- Ability to carry a 40 pound pack over rough and hilly terrain
- Agree to a background check

**SUPERVISORY RESPONSIBILITIES/DIRECT REPORTS:**

Incumbent has no supervisory responsibility. This position reports directly to the Deputy Chief, but will be supervised by various program managers and staff.

**DIFFICULTY OF WORK:**

The work will routinely be strenuous and physical in nature.

**RESPONSIBILITY:**

Incumbent is responsible to maintain all applicable laws, regulations, policies, and standard operating procedures that apply to the installation. Maintaining a safe working environment is required. Work will be reviewed and generally supervised through direct observation, but some task will be done independently with general guidance from assigned supervisor.

**PERSONAL WORK RELATIONSHIPS:**

The work relationships are broad in scope and include direct contacts with directorate managers, supervisors, historians, architects, regulators, contractors, Range Control, Department of Public Works, and training units.

**PHYSICAL EFFORT:**

Fieldwork requires greater than usual physical exertion to hike across rugged terrain with heavy equipment and to occasionally be exposed to extreme weather conditions for extended periods. Projects may extend beyond normal duty and involve weekend work as mission dictates.

**WORKING CONDITIONS:**

The work will routinely be outdoors in all but hazardous weather conditions. Work will often be strenuous and in rough terrain. Incumbent may be exposed to unexploded ordnance (UXO) hazards during the course of any work conducted on training lands. Incumbent will be exposed to loud noise and heavy equipment such as chainsaws, mowers, bull dozers, etc. Other hazards may be falling timber, open wells, fire, pests, and pesticides.

**CLOSING DATE: MARCH 18, 2016**

**APPLY ON-LINE AT: <http://www.in.gov/spd/2334.htm>**
