

FRENCH ALPS

Photo by CREA

**10 DAYS IN FRANCE, ITALY, AND SWITZERLAND
MAY 14TH-24TH, 2017**

Assist with policy & voluntourism research, ride the cable car to Mont Blanc, explore the Grand Saint Bernard Pass, visit culinary & cultural attractions, meet with multidisciplinary partners working on climate change, help shape a Volunteer Tourism Program with the Centre for Research on Elevation Ecosystems (CREA).

**HOS 3536-CLIMATE CHANGE IN THE FRENCH ALPS:
Developing Volunteer Tourism and Public Policy Approaches**

Led by Drs. Carol Kline & Brian Bulla
