Subject: Jimmie Pigg Memorial Outstanding Student Achievement Award

Hello Warmwater Streams Committee members and friends,

As chair of the WWSC I'd like to announce that applications are being accepted for the 2017 Jimmie Pigg Award. Applications are due to me at the address below (or just email a pdf) by **December 1**. The award will be presented at the upcoming SDAFS business meeting in Oklahoma City, OK. In addition to a plaque recognizing the winner's achievement, there is a \$500 cash award along with a one year membership to AFS. Please pass this information along to any graduate students who are conducted research related to warmwater streams that may be interested.

Applications and instructions can be found here: <http://sdafs.org/wwstreams/jimmie-pigg-memorial-outstanding-student-achievement-award/>. You can also find the application attached to this email. Please send this announcement out to as many graduate students as you know researching warmwater streams issues.

Thank you, and I look forward to meeting with you in Oklahoma City!

All the best,

Brian

J. Brian Alford, Ph.D.
Assistant Professor of Fishery Conservation & Management
