If you are fresh out of school (or expect to be in the next 4 months) and haven't been able to find a job, consider this position. It's entry level that will expose you to all that the National Refuge System has to offer and could likely lead to other opportunities you would prefer. Everyone has to start somewhere.

Working toward delivering the best science. >}}}}}}}}<>

"With the new day comes new strength and new thoughts" - Eleanor Roosevelt

"Power isn't control at all--power is strength, and giving that strength to others. A leader isn't someone who forces others to make him stronger; a leader is someone willing to give his strength to others that they may have the strength to stand on their own."
