

Graduate Students in Ecology, Behavior and Evolution
(GREBE) and the Forum on Science Ethics and Policy
(FOSEP)

Present

Beyond Academia: Environmental Edition

A speaker panel and networking event that focuses on careers outside of the traditional academic route for students in environment-related STEM fields.

**Saturday, April 08 in the Panhellenic Building
10 A.M. – 3 P.M.**

Join us for information and networking sessions. We will have Q&A sessions, networking break-out sessions and lunch. Undergraduates, graduates and post-docs are welcome. Representatives from:

- The Center for Disease Control
- US Forest Service
- National Park Service
- Non-Government Organizations
- National Labs
- The Knoxville Zoo
- Science policy and communication
- and more!

Questions or would like to register? Send us an email or visit the website below. ***Note: Lunch will only be provided for the first 50 people who sign up, so sign up soon!*
