

From: Severin Irl
Subject: 3-year PhD position in Biogeographic Modelling (University of Bayreuth, Germany)

Dear ecologists,

A new 3-year PhD position in Biogeographic Modelling at the Dept. of Biogeography (Prof. Beierkuhnlein) has just opened focusing on species distribution modelling! The candidate can get involved in various projects in the fields of nature conservation, protected areas or societal health, as well as other core topics of the research group (climate change, islands).

The position can be filled as as soon as May 1, so please apply as soon as possible!
