Applicant Information

- Vacancies are open to all qualified applicants. Applicants will be screened for the minimum qualifications listed for each job vacancy. Preference will be given to applicants who, in addition to meeting the minimum qualifications, possess one or more of the listed preferred qualifications, when applicable.
- Employees will be given the opportunity to compete within their division or within central office to transfer to or voluntary demote to a vacant position prior to consideration of applicants from outside of the agency.
- Applications and/or résumés are accepted for announced jobs only.
- To apply for an announced job vacancy, applicants must submit a Department of Natural Resources (DNR) Application for Employment to the individual address listed with each job posting. It is important that applications be sent directly to the contact person and/or locations listed. Applications sent to another location may not be forwarded and may result in applications not being considered. Please do not submit your application/résumé to the address listed on the front of this announcement.
- Applicants must submit one application/résumé for each position being applied for.
- A .pdf version and a Word version of the DNR Application for Employment can be found by visiting the Careers page of the DNR website at <http://www.gadnr.org/careers>.
- If submitting a résumé, please attach this with the DNR Application for Employment.
- Please be sure to include the following information on your application; Job Title and Position Number.
- If the minimum qualifications for a job require a college education and you have obtained a degree from a college or university outside the USA, you are required to submit an International Education Evaluation Letter showing your degree is equivalent to one obtained at a college or university in the USA. International Educational Evaluations are accepted from the National Association of Credential Evaluation Services (www.naces.org/members.htm) or the Association of International Credentials Evaluators (www.aice-eval.org).
- Your application must be postmarked no later than the application deadline date noted on the front page of this Vacancy Announcement. Please note that deadlines listed may differ for certain advertised jobs from what is listed on the front of the Vacancy Announcement.
- Any offer of full time and part time employment by DNR is conditional upon a background check that is appropriate for the job functions and business necessity. If related criminal records are revealed in the process, the applicant will not be automatically disqualified.
- Current State of Georgia employees transferring to a DNR position, on the same pay grade, will transfer at their existing pay. Current State of Georgia employees transferring to a DNR position, on a higher pay grade, will typically receive a 5% promotion, or go to the job minimum, whichever is greater. Current State of Georgia employees transferring to a DNR position, on a lower pay grade, will typically receive a demotion with a loss in pay.
- **All positions listed in this announcement are in the Unclassified Service and will be filled as unclassified positions.**
- All qualified applicants will be considered. Hiring locations will contact applicants regarding interviews but due to the volume of applications received not all applicants will be contacted or receive an interview.
- If you need this Vacancy Announcement in an alternate format, please contact the DNR Office of Human Resources at 404.656.7560.
- DNR is a registered participant in the federal work authorization program commonly known as E-Verify. DNR uses this program to verify employment eligibility of individuals hired on or after July 1, 2007. DNR's E-Verify ID # is 45119, Authorized July 1, 2007.
- The Georgia Department of Natural Resources is an Equal Opportunity Employer.

Additional information on the Georgia Department of Natural Resources Operating Divisions can be located by visiting the below website addresses:

NOTE: Information in this Vacancy Announcement is subject to change.

Law Enforcement Position Hiring Information

Applicants who are NOT P.O.S.T. Certified must take and pass the P.O.S.T. Entrance Examination, **prior to submitting an application**, to be considered for a Law Enforcement (P.O.S.T.) position with DNR. Results from the P.O.S.T. Entrance Exam must be submitted with your DNR P.O.S.T. Certified Position Application for Employment. The DNR P.O.S.T. Certified Position Application for Employment can be found on the Careers page of the DNR website at <http://www.gadnr.org/careers>.

Applicants who are P.O.S.T. Certified must provide a copy of their P.O.S.T. Certification Certificate when applying for a Law Enforcement position with the Georgia Department of Natural Resources.

CONDITIONAL EMPLOYMENT

Applicants selected to fill Law Enforcement positions, who are not P.O.S.T. Certified, must accept Conditional Employment with DNR. The terms of this Conditional Employment are as follows:

- Upon hire, the employee must attend an 11-week Basic Law Enforcement Training Course to obtain their P.O.S.T. Certification at one of the Georgia Public Safety Training Center (GPSTC) Regional Academies located in Athens; Augusta; Austell; Columbus; Forsyth; Savannah; Tifton.
- Upon obtaining P.O.S.T. Certification, the employee is then required to complete a 14-week DNR Academy at the GPSTC located in Forsyth.

Applicants must successfully complete the Basic Law Enforcement Training Course and the DNR Academy in order to continue employment with DNR.

P.O.S.T. ENTRANCE EXAM INFORMATION

Applicants who are not P.O.S.T. Certified must pass the P.O.S.T. Entrance Exam to be considered for Law Enforcement positions within DNR. Effective September 1, 2016 the **ACCUPLACER** test became the official P.O.S.T. Entrance Exam for law enforcement candidates. The **ACCUPLACER** test is administered through the Technical College System of Georgia at various Technical Colleges throughout Georgia (see reverse side of this page for testing locations and information). The **ACCUPLACER** test is a computer-based exam that provides immediate results. This test measure reading, writing and numerical skills.

Also scores from the ASSET exam, COMPASS exam, SAT, ACT and CPE are accepted. Below are the minimum scores required for satisfying OCGA 35-8-8 regarding completion of the POST Entrance Examination:

TEST PORTION	ACCUPLACER	ASSET	COMPASS	SAT	ACT	CPE
Reading	55	38	70			
Writing	60	35	32			
* Numerical	34	35	26			
Verbal or Critical Reading / Reading				430		75
Verbal or English and Reading					18	
Math				400	16	75
English						75

* - This score is used for evaluation purposes only and does not determine whether a candidate successfully passes the exam. Persons attending the Basic Law Enforcement Training Course (BLETC) at one of the Technical Colleges in Georgia are required to achieve this minimum score.

Applicants who are not P.O.S.T. Certified are required to provide a copy of their test results when applying for a Conservation Ranger position with DNR.

P.O.S.T. Entrance Exam Information, including testing locations, can be found on the Careers page of the DNR website at www.gadnr.org/careers.

Applicants taking the P.O.S.T. Entrance Exam are required to take a completed **P.O.S.T. Entrance Examination Access Form** to the test site. This form is found on the Careers page of the DNR website at www.gadnr.org/careers.

NOTE: Per OCGA 35-8-8, candidates that do not perform satisfactory on the Entrance Exam will be ineligible to retake the Entrance Exam for a period of 30 days after the unsuccessful attempt.

Law Enforcement Division Vacancy Conservation Ranger 1 (Game Warden)

LOCATION	Statewide						
DIVISION	Law Enforcement Division						
POSITION #	Multiple	JOB CODE	PSP040	PAYGRADE	LH	ENTRY SALARY	\$41,236.08

Manager 1, Environmental Protection – Fulton County

LOCATION	Watershed Protection Branch						
DIVISION	Environmental Protection Division						
POSITION #	00101287	JOB CODE	RCM010	PAYGRADE	M	ENTRY SALARY	\$52,172.55

JOB DESCRIPTION

This position is located in the Georgia Environmental Protection Division (EPD) – Watershed Protection Branch. The incumbent in this position manages the Drinking Water Permitting Unit that is responsible for the reviews of EPD permitted public drinking water systems. Other responsibilities are determining whether proposed municipal public drinking water systems meet all criteria described in EPD rules as well as minimum standards for drinking water systems as well as planning multi-tiered approach to program implementation. The successful applicant must be able to apply engineering judgment and knowledge of water treatment technologies to determine whether to grant or modify a permit to operate a drinking water system in Georgia and work with other units in EPD and other state and federal agencies to manage the complete Drinking Water Permitting and Regulatory review process. This position will require in-state travel, interaction with drinking water professionals and organizations, general public, water system operators, state inspectors and other state and federal regulatory managers. Excellent communication and team leading skills are vital and include both verbal and written proficiency.

MINIMUM QUALIFICATIONS

Bachelor's degree in Environmental Sciences, Biology, Chemistry, Geology, Engineering (Agricultural, Chemical, Civil, Environmental, Mechanical or Sanitary) or related field from an accredited college or university

AND

Four years of professional experience in environmental enforcement, environmental health, environmental monitoring, environmental protection or environmental research.

PREFERRED QUALIFICATIONS

Preference may be given to applicants with:

- Knowledge of drinking water regulations and/or drinking water system operation
- Experience in successfully leading and managing teams, units, or organizations in improving processes
- Familiarity with regulatory processes, rule promulgation, rule interpretation and implementation

Based on education and experience, the selectee will be hired into one of the above mentioned job codes.

JOB DESCRIPTION

This position is located in the Georgia Environmental Protection Division – Safe Dams Unit. This position requires both office and field work, with the majority of the work time spent in the field. There is some travel involved as the Unit covers the entire state which will include overnight stays. The incumbent in this position will be responsible for collecting basic data on the dam, completing an inventory of dams in their assigned geographic area, and assigning an initial classification to each dam. The individual will evaluate the downstream area to evaluate potential impacts from a dam failure. The incumbent will inspect low and high hazard dams and develop inspection reports and will perform emergency response activities when issues occur at dams. Because this position involves routine interaction with consultants, dam owners, and local government officials; the ability to clearly articulate technical concepts is essential. The incumbent in this position must have a current, valid driver's license.

MINIMUM QUALIFICATIONS

RCP020 – Environmental Compliance Specialist 1

Bachelor's degree in Chemistry, Biology, Physics, Geology or other natural or physical science or engineering field from an accredited four-year college or university.

RCP021 – Environmental Compliance Specialist 2

Bachelor's degree in Chemistry, Biology, Physics, Geology or other natural or physical science or engineering field from an accredited four-year college or university

AND

Two years of professional experience in environmental protection.

OR

One year of experience at a level equivalent to an Environmental Compliance Spec 1 (RCP020).

AND

Three years of professional experience in environmental protection.

OR

One year of experience at a level equivalent to an Environmental Compliance Spec 2 (RCP021).

(CONTINUED ON PAGE 21)

Environmental Compliance Specialist 1/2/3 Continued

NOTE: This position requires field work in some remote locations near lakes. Selected candidates for these positions must be able to do some hiking to remote dam locations and must be able to walk up and down steep slopes of the dam for inspection purposes. Safety gear and related supplies (e.g., life vests, high boots, snake chaps, bug/tick repellent) are provided; however, selected candidates should be aware that they may encounter snakes, alligators, ticks and other bugs while performing this job. Selected candidates should be comfortable working near water and marshy areas.

PREFERRED QUALIFICATIONS

Preference may be given to applicants with:

- Experience with inspection of dams
- Experience in dam safety activities
- Experience with surveying
- Experience in the interpretation and application of state and federal regulations

If interested in applying for this position, please submit an electronic DNR Application for Employment to the e-mail address highlighted below or mail a completed DNR Application for Employment to the following address:
