

East Tennessee Regional TNGIC Conference

October 4, 2017 at Chester Frost Pavilion

This event is sponsored by:

[Tennessee Geographic Information Council \(TNGIC\)](#)

Call for Presentations

Share Your Knowledge and Earn GISP Points for Presenting

Submit an abstract for a presentation at the TNGIC East Tennessee Regional GIS Conference. This free one-day event brings our communities together to learn from each other and build on GIS technology. This event will provide hands-on demonstrations of GPS and GIS technologies as well as cartographic design.

Submissions Should Include

Author/Presenter Name(s)

Presentation Title with Brief Abstract

Presenter Category (General or Vendor)

Presenter Biography

Submission Guidelines

- Authors will present in a 20 minute live presentation as part of a moderated session.
- The allocated presentation time of 20 minutes will be adhered to strictly. Please be courteous to the moderators and other presenters.
- Your abstract title may not exceed 10 words.
- Your abstract must be in electronic format, may not exceed 1 MB, and cannot be longer than 150 words.
- Do not write in all CAPITAL LETTERS. Remember, the information you enter is used for publishing purposes (e.g., Web site, agenda, CD-ROM).
- All Paper Submissions must be in electronic format and presentations must be in English.
- No bullet points or numbering should be used.

Presenter Category

There will be two categories of presentations this year – General and Vendor. This will give the vendors an opportunity to showcase their products or services. Vendor tracks can be commercial in content; general tracks should not be commercial in content. Both categories will be considered for presentations and mixed into the agenda schedule. Vendor presentations will have the “Vendor Presentation” designation in the agenda. PLEASE DESIGNATE YOUR PRESENTATION AS “VENDOR” WHERE APPLICABLE.

Important Information

Abstracts will be published on the event Web site and Agenda. This year's conference planning committee will evaluate all abstracts and make selections based on topic, content, and time available. A detailed program of presentations and events will be provided prior to the conference. Projector equipment will be provided. Please bring your laptop.

Please email submissions to Thomas Catlett at tcatlett@hamiltontn.gov

Deadline for Abstract Submissions is September 20, 2017. Please submit abstracts as early as possible.
