

From: George Perry
Subject: Funded PhD position, Auckland, New Zealand

Kia ora koutou

I have one funded PhD position in the broad area of modelling ecological change available, as described at:

https://urldefense.proofpoint.com/v2/url?u=http-3A__www.env.auckland.ac.nz_en_about_notices_notices-2D2017_08_funded-2Dphd-2Dposition-2Din-2Dmodelling-2Decosystem-2Dchange.html&d=DwIF-g&c=Ngd-ta5yRYsqeUsEDgxcqsYYY1Xs5ogLxWPA_2Wlc4&r=e2OJ1azRFn8ihJzb2HxZT0AqoiqLvxfeeATyN59ZLoI&m=eL_y0ppVDXmZ1o9RIdNQ9BHwasF-QwoeUJVfBCiFK1Y&s=4DOpmufE7JFu7eY4zLnThVuPa_hIWZOBPNKVzjq9aA&e=

The funding for this position covers three years living stipend of NZD 27000 per yr plus fees; three years is the typical length of a PhD in the NZ university system. The material at the website provides some idea as to subject areas but the exact topic is flexible. I am particularly interested in topics bridging neoecology and palaeoecology. If you are interested and have any questions please feel free to email me (george.perry@auckland.ac.nz).

All the best

George
