

From: Christina J Bradley
Subject: Assistant Professor of Biology (Wetland Ecology)

The Department of Biological Sciences at Salisbury University is accepting applications for the position of Assistant Professor of Biology. This is a full-time tenure track position.

Area of Specialization: Wetland Ecology

Primary Job Duties/Responsibilities: Teaching is the primary responsibility with the load equivalent to 12 contact hours per semester. Teach undergraduate courses including Ecology, Wetland Ecology, and introductory majors' Biology course in addition to developing other coursework in specialty area; utilize effective teaching and classroom management strategies that enhance the success of diverse learners; engage in scholarly professional activities, including a research program that involves undergraduate and Master's level students; and, actively participate in departmental, university, and community service initiatives. Duties include academic advising within the Biology/Environmental Science Dual Degree Program.

Minimum Qualifications: A Ph.D. in Biological Science or Environmental Science with research background in Wetland Ecology. Evidence of potential for excellence in teaching and research. Applicants are expected to demonstrate effective verbal communication skills.

This position is based in Salisbury, MD. Salisbury University, a member of the University System of Maryland, is a regionally accredited four-year comprehensive institution offering 58 distinct graduate and undergraduate programs. Founded in 1925, Salisbury University features a beautiful campus close to ocean beaches and the Chesapeake Bay and 2-3 hours from the metropolitan areas of Washington, Baltimore, Philadelphia, and Norfolk. SU is consistently ranked among the nation's top colleges and 'best values' by U.S. News and World Report, The Princeton Review, and other publications. SU has 416 full-time faculty members serving a student population of approximately 8700.

Diversity and inclusion are core values of Salisbury University. We strive to create a truly diverse and inclusive environment where the richness of ideas, backgrounds, and perspectives of our community is harnessed to create value for our University community to include students, faculty, and staff, today and in the future. To this end, the University recruits exceptional and diverse faculty, staff, and students from across Maryland, the United States, and around the world, supporting all members of the University community as they work together to achieve institutional goals and vision.
