

**From:** McCoy, Michael W  
**Subject:** Funded PhD position available

---

I am recruiting PhD student and MS students interested in aquatic community ecology to start in January or August 2018 to work on an NSF funded project. Interested candidates can visit my website (<http://mikemccoyleab.weebly.com/links.html>) to find additional information about the research (<http://www.ecu.edu/cs-admin/news/Predator-Diversity.cfm>), joining my lab (<http://mikemccoyleab.weebly.com/prospective-students.html>) and the Biology Department at ECU (<http://www.ecu.edu/cs-cas/biology/>).

I look forward to hearing from you.

Mike
