IMPORTANT NOTE: If you should need the forms identified in above paragraph, feel free to contact (919) 326-6924 for a copy.

DUTIES:

The incumbent provides technical assistance and conducts wildlife damage management activities in an integrated pest management (IPM) approach to prevent or reduce economic loss to property, natural resources, and agriculture or to protect human health and safety. Management techniques and/or tools include the use of pesticides, pyrotechnics, firearms, aversive agents, auditory devices, exclusion, and cultural methods. IPM strategies will include non-lethal and lethal techniques.

The incumbent will be responsible for organizing, conducting, and implementing direct control operations within Stanly County Air National Guard Base to control damage caused by wildlife species, with emphasis on feral swine and coyotes in and around airfields and multiple offsite landing zones.

Incumbent will be required to be familiar with and to use various devices, tools, firearms, toxicants, and related equipment used in wildlife damage management.

Incumbent will be expected to be able to identify damage from wildlife species and to assist in the implementation of appropriate corrective action, if warranted.

Incumbent prepares and constructs or sets devices, lures, traps, etc., in accordance with standard operational procedures.

The incumbent complies with federal, state, and local regulations and assists airports with compliance with the Migratory Bird Treaty Act (MBTA), Endangered Species Act, Federal Air Regulations, and Department of Defense Regulations.

Incumbent will keep accurate written records of their activities for the cooperator and Wildlife Services program using prescribed formats and procedures.

Incumbent prepares and submits routine and special reports regarding daily, weekly, or monthly activities, observations, and events.

The incumbent participates in required training sessions, on-the-job developmental activities and temporary details.

Incumbent presents program information and conducts training for various groups, including military branches, educational institutions, industry groups, and state extension programs.

The incumbent must demonstrate a respect for safety in all operations, including the operation of motor vehicles, firearms, control devices, and equipment.

MINIMUM ELIGIBILITY REQUIREMENTS:

To qualify, applicants **MUST** meet all minimum qualification requirements, except Medical Requirements, by the closing date of the announcement.

QUALIFICATIONS REQUIRED:

For the GS-5 Grade Level:

Applicants must have one year of specialized experience (equivalent to the GS-4 level) that may have been obtained in the private or public (local, county, state, federal) sectors which demonstrate experience in:

Identifying North American wildlife species.

The principles of wildlife ecology and management.

Conducting basic computer operations for record keeping, data analysis, report writing and correspondence.

OR

Successful completion of a full 4-year course of study leading to a bachelor's degree with major study, or at least 24 semester hours, in any combination of scientific or technical courses such as biology, chemistry, entomology, animal husbandry, botany, physics, agriculture, or mathematics, with at least 6 semester hours in wildlife management.

For the GS-6 Grade Level:

Applicants must have one year of specialized experience (equivalent to the GS-5 level) that may have been obtained in the private or public (local, county, state, federal) sectors which demonstrates experience in:

Dealing with human-wildlife conflicts and principles of wildlife damage management.

The requirements of the Migratory Bird Treaty Act (MBTA), Endangered Species Act, National Environment Policy Act, and Federal Air Regulations

Conducting wildlife count and abundance surveys

The use of firearms, traps, snares, pesticides, immobilizing drugs, pyrotechnics, electronic harassment devices, and other non-lethal control tools.

OR

Successfully completed 1 year of graduate education (18 semester hours) in a wildlife related area.

OR

Combination of Education and Experience at the GS-5/6 Grade Level:

Applicants may have combinations of successfully completed education and specialized experience to meet total qualification requirements. The total percentages must equal at least 100 percent to qualify for that grade level.

OTHER REQUIREMENTS:

- Must obtain or have a valid NC driver's license. Operation of Government-owned or leased vehicles is required.

- As a condition of employment, appropriate security clearance is required for this position.
- Position is subject to random and applicant drug testing.
- Must have a knowledge of and be capable of using:
 - Working with the public and other cooperating agencies
 - Communication skills
 - Electronic equipment (GPS, Trimble, computer)
- Must demonstrate a respect for safety in all operations, including the operation of motor vehicles, firearms, control devices, and equipment.
- Must be able to operate various types of small boats and be able to swim.

Emergency Response – APHIS is an emergency response agency. This means that all Agency employees may be asked or assigned to participate in rotating temporary duty assignments to support emergency programs at some time during their careers with APHIS. It is difficult to predict the frequency with which such emergency situations may occur – and could range from several emergencies in a year to none over the course of many years. In the event that you are called upon to support an emergency program, this may require irregular working hours, including overtime, and may include duties other than those specified in your official position description. While some emergency program support assignments may be able to be performed at the employee’s current duty station, in other cases employees may be asked to go on-site to a temporary duty state location. In addition, it may be necessary for employees to participate in multiple rotations to an emergency program assignment. Attempts will be made to keep disruption to the employee to a minimum.

Drug Testing – Applicants for this position will be required to submit to urinalysis to screen for illegal drug use prior to appointment. Appointment to the position will be contingent upon a negative drug test result. Incumbents of the position will be required to submit to urinalysis to screen for illegal drug use on an ongoing basis after appointment, as directed.

Carrying a firearm is a condition of employment – In the passing of the **Lautenberg Amendment**, Congress passed legislation which prohibits anyone who has been convicted of a misdemeanor crime of domestic violence from possessing a firearm or ammunition. If selected you will be required to sign the form, “Inquiry for Positions Requiring Possession of Firearms,” certifying that you meet this criteria.

Failure to follow application instructions regarding filing appropriate forms and answering questions may result in loss of employment considerations for this position. **All applications must be signed, dated, and received by the closing date of this announcement.**

All candidates will be considered without regarding to race, creed, color, sex, age, national origin, political affiliation, or any other non-merit factor.
