

From: Jess Corman
Subject: Research Technician (Lab Manager) in aquatic ecosystem ecology lab

Jessica Corman is hiring a Research Technician (Lab Manager) for her lab in the School of Natural Resources at the University of Nebraska-Lincoln. I'm looking for someone with a B.S. or M.S. and interested in ecosystem ecology. Please see the posting for details, <https://employment.unl.edu/postings/58434>, and feel free to contact her if you are interested, jcorman3@unl.edu.
