

17th ANNUAL GRADUATE STUDENT TOPOLOGY AND GEOMETRY CONFERENCE

Department of Mathematics
University of Illinois at Urbana-Champaign

March 30-31, 2019

Plenary speakers

Mike Hill (UCLA)
Rafe Mazzeo (Stanford)
Amie Wilkinson (University of Chicago)

Young faculty speakers

Tarik Aougab (Brown University)
Agnes Beaudry (University of Colorado Boulder)
Michelle Chu (University of California Santa Barbara)
Ben Knudsen (Harvard University)
Jing Wang (Purdue University)
Xuwen Zhu (University of California Berkeley)

This conference is a venue for young researchers to be exposed to new research areas, present their own work in a productive and welcoming environment, and meet experts in the field.
