

Master Gardeners of Roane County presents
***Successful Home Gardening and
Rain Barrel Creation and Use***

at the UT Extension Office, Harriman, TN
Saturday, March 9, 2019, 9 AM to 3:30 PM

This workshop will provide the basic elements as well as the latest trends to make your home gardens the talk of the neighborhood. Dr. Sue Hamilton, Professor and Director of the University of Tennessee Gardens will teach us the basics of gardening success, garden design and the use of color, the latest gardening trends, and the newest plants on the market. An informational class on rain barrels will be presented for everyone. Immediately following, an optional “hands on” class to assemble the rain barrel materials will be held. Beginners and experienced gardeners are welcome!

The workshop will be held at the UT Extension Office located at 3074 Roane State Highway in Harriman. Space is limited, and pre-registration is required, so register early to ensure your spot. The workshop registration fee is \$30 (snacks and lunch included). The \$70 fee includes the core workshop plus all rain barrel materials (pre-drilled barrel, faucet and fittings). For questions and to register, contact Carol Zahm @443-540-0521 or mastergardenersofroanecounty@gmail.com.
