

American Conservation Experience - EPIC U.S. Forest Service Division

Now Hiring - Forestry Technicians:

ACE EPIC - USFS is looking for individuals interested in advancing their career goals in natural resource management and conservation. As a Forestry Technician, you will cruise timber plots, taking and recording tree measurements, assessing quality and determining tree defects. Technicians work as a member of a small team navigating timber plots on National Forest land, supporting overall Forest health.

Location: Tahoe National Forest, California

Position Requirements:

- An educational background in Forestry or Environmental Science.
- Working knowledge of forest practices; including tree measurements, identification and defect recognition
- Ability to hike rugged terrain in, at times, adverse weather conditions
- Knowledge of computer programs and ability to learn timber cruise programs
- U.S. Citizen or Permanent Resident
- Valid driver's license and insurable driving record
- Ability to pass a federal criminal background check
