UQ994E	HP CarePack 3/3/3 from 1/1/0 WITH ADP (Parts-3/Labor-3/On-Site-3)	\$97

HP Warranty Explanation

Once you grasp the HP warranty definitions, it's very easy to remember. It's Parts/Labor/On-Site and the standard Chromebook warranty is 1/1/0—which is one year parts/one year labor/mail-in service. ADP stands for Accidental Damage Protection, which covers accidental drops, spills, etc. Instructions on how to obtain HP warranty service on next page.

** These units are stocked in USA, however that doesn't mean they are always in stock, due to supply constraints and demand surges.*

Filter every user from a single unified interface

Also Available from ProSys

Any device. Any browser. Any OS.

GoGuardian Admin is a multi-layered content filtering solution that works on any device, browser, or operating system. It will transform the way you manage your district's filters by providing a single, unified interface for guest, BYOD, and school-issued devices. Already trusted by over 10,000 schools, GoGuardian Admin provides full flexibility for your school's policies while drastically reducing time spent on configuration and maintenance.

And now GoGuardian Admin has powerful suicide prevention capabilities, designed to help you immediately start identifying those students who are most at risk. We're as passionate about keeping kids safe, on task, and engaged as you are.

HP offers an outstanding online portal for obtaining support for equipment needing service.

- Go to www.support.hp.com
- At the top right corner of the page, click SIGN IN.
- Use the HP user sign in id and password that you have been provided.
- Click BUSINESS SUPPORT on the blue band across the screen 1/3 down the page.
- Click CREATE A NEW CASE.
- Enter the serial number of the product, what the issue is, and what you've already done to try to figure it out.
- You may attached photographs, screen shots, error reports, etc. to better explain your issue.
- Be sure to make sure your address is correct and that your contact information is correct—in the unlikely event the agent must get back with you.
- The HP system will validate your address.
- You're all done. You can track the progress of your request by clicking FIND AN EXISTING CASE.
