Virtual IRB Panel Series

Faculty Share Best Practices for Human Subjects Research in Fall 2020

In response to recommendations from UT's [Re-Imagining Fall Task Force](#) about supporting human subjects research, the Office of Research and Engagement has developed a series of panel discussions on transitioning from in-person to virtually conducted research. One-on-one coaching will also be available to researchers who require additional advice on conducting human subjects research online.

- **Panel 2: Conducting Human Subjects Research Virtually – Technology & Tools**
Wed., Sept. 2, 1:00 – 2:30 p.m.

[Register Here](#)

Faculty will share their top recommendations for using technology and other tools to conduct human subjects research virtually, followed by a facilitated discussion.

Registration closes Tuesday, September 1, at noon. Zoom videoconference invitation will be sent the afternoon of September 1.

- **Panel 3: Conducting Human Subjects Research Virtually – Starting A Research Project during a Pandemic**
Wed., Sept. 30, 1:00 – 2:30 p.m.

[Register Here](#)

Staff and faculty will share key insights and resources to help faculty and students launch new research projects. This panel is targeted to early-career faculty, post-docs, and graduate students who are planning to start new human subjects research this year.

Registration closes Tuesday, September 29, at noon. Zoom videoconference invitation will be sent the afternoon of September 29.

- **Coaching (ongoing):** Any faculty member who requires additional guidance or advice in transitioning an existing in-person human subjects research protocol to the virtual environment and/or starting a new human subjects research project will be invited to receive one-on-one coaching from human subjects researchers with experience conducting research in a virtual environment.
