

GEOGRAPHY 374

EMERGING LANDSCAPES OF EAST ASIA

INSTRUCTOR: JACOB WATKINS (JWATKI22@UTK.EDU)

Geography 374 examines East Asia within numerous spatial contexts, with emphases placed on China, Japan, Korea, and Taiwan. Topics include physical landscapes, emerging economies, geopolitical issues, minority rights, and pop culture. This course satisfies the Global Challenges component of the College of Arts and Sciences curriculum.
