The AAG-GTU Travel Award provides support for student members of GTU to attend the national annual meeting of the American Association of Geographers. Travel awards are available with preference to geography undergraduate and graduate students who are attending an AAG meeting for the first time and who will serve as an author or co-author on a paper or poster being presented at the meeting.

The 2022 Annual Meeting of the AAG will be both face-to-face (in NYC) and virtual (COVID updates notwithstanding). The awards will be reimbursed to GTU students for the cost of registration for either meeting.
