

Summer @ Rocky Top

Academic Advisors' Guide

Summer @ Rocky Top is an initiative aimed at increasing summer course attendance and creating a positive culture around summer school.

The target student populations are rising sophomores and seniors.

The primary goal for 2022 is to increase summer enrollment for rising sophomores by 20%, or 127 students.

Summer.utk.edu is students' primary resource for learning about Summer @ Rocky Top.

Primary benefits of participating in Summer @ Rocky Top include:

- On-time or early graduation
- Cost savings by graduating on-time/early
- Keep up good academic habits over summer
- Complete courses in a compressed time frame

To learn more about financial aid options for Summer @ Rocky Top experience, students should contact One Stop Services.

Rising sophomores should contact their One Stop counselor.
