

Geography 416/Geography 518: GIS Project Management

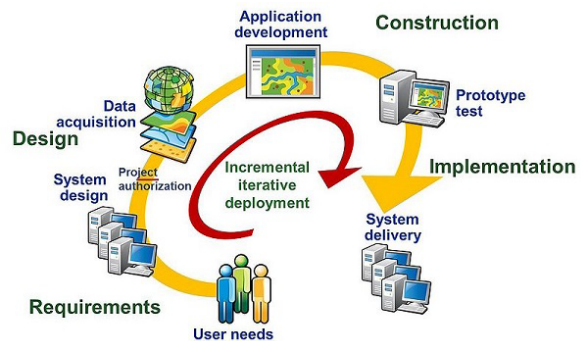

Fall 2022, 12:55 – 2:10 PM on Tuesdays & Thursdays
Dr. Shih-Lung Shaw, Department of Geography, UTK

[\(http://mgp-web.azurewebsites.net/assetmanagement/\)](http://mgp-web.azurewebsites.net/assetmanagement/)

- Are you interested in working on a GIS project with a team in a simulated real-world environment?

- Are you interested in learning how to plan, manage and implement a GIS project?

[\(https://www.esri.com/about/newsroom/insider/building-a-gis-implementation-strategy-and-best-practices/\)](https://www.esri.com/about/newsroom/insider/building-a-gis-implementation-strategy-and-best-practices/)

[\(https://learn.arcgis.com/en/arcgis-book/chapter10/\)](https://learn.arcgis.com/en/arcgis-book/chapter10/)

- You will gain knowledge, experience, and hands-on skills of working on a GIS project from conceptualizing and designing a project to final implementation of a project.

Contact Dr. Shih-Lung Shaw at sshaw@utk.edu for additional information.
