

# Conference on Analysis of Dirac type and Higher Spin Operators: Honoring John Ryan

## November 11-13, 2022

Office of the President and the Department of Mathematics, Chapman University  
Orange, California

Chapman University is proud to organize the conference “Analysis of Dirac type and higher spin operators. A conference in honor of John Ryan on the occasion of his retirement” from November 11<sup>th</sup> to November 13<sup>th</sup>, 2022.

### Speakers

**Daniel Alpay**, Chapman University  
**Lashi Bandara**, Brunel University  
**Paula Cerejeiras**, University of Aveiro  
**Fabrizio Colombo**, Politecnico di Milano  
**Chao Ding**, Anhui University, China  
**Jeffrey Hogan**, University of Newcastle  
**Uwe Kähler**, University of Aveiro  
**Matvei Libine**, Indiana University  
 Bloomington  
**Minh Nguyen**, Washington University in St. Louis

**Tao Qian**, Macau University of Science and Technology  
**John Ryan**, University of Arkansas  
**Irene Sabadini**, Politecnico di Milano  
**Ahmed Sebbar**, Chapman University  
**Jan Slovak**, Masaryk University in Brno  
**Daniele Struppa**, Chapman University  
**Adrian Vajiac**, Chapman University  
**Mihaela Vajiac**, Chapman University

**Organizers:** Paula Cerejeiras, Fabrizio Colombo, Uwe Kähler, Irene Sabadini, Daniele Struppa
