

Veterans for National Parks

The National Parks Conservation Association (NPCA) is hosting a great new opportunity for veterans in the east Tennessee/WNC interested in the national parks! NPCA is the leading conservation organization for the National Park Service.

This year, NPCA's Southeast Outreach Team will lead a series of outings in various locations in Appalachia and the Cumberland Plateau designed to get veterans together, educate on wild spaces, and of course have a good time!

The outings may include and are not limited to:

- Hikes
- Stargazing and Astronomy
- Wildlife Viewing
- Trail Maintenance and Stewardship

**Note that space will be limited. Snacks, water, and camaraderie are included.*

If interested, please contact **Gessika Guerra** at gguerra@npca.org OR check out NPCA's MeetUp page at <https://www.meetup.com/veterans-for-national-parks/>.
