Unturning Steel *22-Minute Film Preview &* *Panel Discussion*

This 22-minute film teaser will introduce you to the UNTURNING STEEL program — a veteran transition program aimed at preparing veterans for a career in manufacturing and seeing them through to career success. This preview is 22 minutes long to recognize the 22 veterans whose lives end by suicide every day. A panel discussion featuring the program creator and industry and military program participants will follow.
